Gentlemen:

Your letter of February 12, 1988 provided notification to us that a Temporary Change to the NRC approved Security Plan for Calvert Cliffs Nuclear Power Plant Units 1 and 2, which you requested by letter of May 12, 1987, is no longer required.

We understand that the system modification that necessitated the change, and its acceptance testing, is complete, that the system is fully operational, and that you are now implementing your previously approved Security Plan.

Thank you for your cooperation.

Sincerely,
