Carolina Power and Light Company
ATTN: Mr. E. E. Utley
Senior Executive Vice President
Power Supply and Engineering
and Construction
P. O. Box 1551
Raleigh, NC 27602

Gentlemen:

SUBJECT: NRC INSPECTION REPORT NOS. 50-325/87-32 AND 50-324/87-31

Thank you for your response of February 9, 1988, to our Notice of Violation issued on December 11, 1987, concerning activities conducted at your Brunswick facility.

We have reviewed your response to Violations A and B and, based on the information provided, it is our understanding that additional information will be provided by May 30, 1988, for the date when full compliance will be achieved. We will complete our evaluation of Violations A and B upon reviewing this additional information.

We have evaluated your response to Violations C and D and found that they meet the requirements of 10 CFR 2.201. We will examine the implementation of your corrective actions during future inspections.

We have evaluated your response to Engineering Work Requests (EWRs) 84-809A, 84-685, 84-1024, 82-294, and 84-362. The resolution of these EWRs will be reviewed during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

(Original signed by J. N. Grace)
