Dear Mr. Sylvia:

SUBJECT: ORGANIZATION CHANGES AFFECTING FERMI-2

I would like to inform you of a recent organization change within the Division of Reactor Projects. This change has reassigned several Project Managers and, in a few cases, placed certain facilities under a different Project Directorate. For Fermi-2, we have assigned Mr. Theodore R. Quay as the NRR Project Manager. He can be reached at 1-301-492-7742. Mr. John Stefano, whose phone number is 1-301-492-8007, will serve as the backup Project Manager. This facility remains within my Directorate.

Sincerely,
