RE: In the Matter of Public Service Company of New  
Hampshire, et al., (Seabrook Station, Units 1 & 2)  
Docket Nos. 50-443 & 50-444

Gentlemen:

In view of the large volume of draft NRC testimony to be delivered to our offices on October 30th, the Commonwealth believes that more meaningful comments could be made if more time were available. Toward that end the Commonwealth asked that the meeting scheduled for November 6th be postponed. We understand that no other party objects to the meeting being re-scheduled for November 15th.

Very truly yours,
