Dear Mr. Horn:

Thank you for your letter of May 2, 1997, regarding the referenced Notice of Violation where a Technical Specification emergency diesel generator common-cause determination was not performed. This letter supplemented your response dated January 27, 1997, on the same subject, citing additional actions to bound the condition. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,
