Docket No. 50-313Subject: IMPOSITION OF CIVIL PENALTY - \$25,000

By EN 87-44B dated June 25, 1987 the Commission was notified of the intent of the staff to issue a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of Twenty-Five Thousand Dollars (\$25,000) to Arkansas Power and Light Company. This action was based on a violation involving an inoperable pressurizer code safety valve.

The licensee responded to the Notice in a letter dated September 18, 1987. After careful consideration of the licensee's response, the staff has concluded that sufficient basis for further mitigation of the civil penalty was not provided in the response.

Accordingly an Order Imposing Civil Penalty in the amount of \$25,000 has been issued today. Under the terms of the Order, the licensee may within 30 days of the date of the Order, pay the penalty or request a hearing.
