ORDER

(Denying NECNP's Motion To Compel Of March 22, 1988)

Under date of March 22, 1988, NECNP filed a motion to compel Applicants to respond to NECNP's third set of interrogatories and request for production of documents on NECNP Contention IV. The Staff informally replied in a letter dated March 24, 1988. We do not await a response from the Applicants in order to reduce the "paper blizzard".

Previously the Board had issued the Memorandum and Order of February 17, 1988, (Denying NECNP Motion To Compel) and the Memorandum and Order of March 18, 1988, (Denying NECNP Motion For Reconsideration). These issuances are dispositive of the instant motion to compel because

they reflect that MIC is not encompassed within the scope of NECNP
Contention IV. Accordingly, the instant motion is denied.

It is so ORDERED.
