Subject: Draft Safety Evaluation for Sargent & Lundy, LLC Nuclear Quality Assurance Program Topical Report SL-TR-1, Revision 25 (EPID: L-2020-TOP-0027)
Date: Thursday, May 28, 2020 2:13:00 PM
Importance: High

Mr. Kurtz,

By letter dated May 14, 2020 (Agencywide Documents Access and Management System (ADAMS) Accession No. ML20132A261), Sargent & Lundy, LLC (S&L) submitted S&L "Nuclear Quality Assurance Program," Topical Report SL-TR-1, Revision 25 (hereafter referred to as the QATR). A copy of the draft safety evaluation (SE) for S&L QATR Revision 25 has been placed in the box.com folder. S&L have previously been given access to the folder.

The draft SE is being provided for an accuracy, clarity, and proprietary information review. If you believe that any information in the draft SE is proprietary, please identify such information line-by-line and define the basis pursuant to the criteria of 10 CFR 2.390. To facilitate the NRC staff's review of your comments, please provide a marked-up copy of the draft SE showing proposed changes and provide a summary table of the proposed changes. Both this email and the draft SE will be placed in ADAMS and made Official Agency Records. The draft SE is declared as nonpublic until we receive your response as to whether it contains proprietary information. This email will be declared public.

The final SE will be issued after making any necessary changes and a non-proprietary version will be made publicly available. The NRC staff's disposition of your comments on the draft SE will be discussed in the final SE.

The NRC staff used a new process called Minimum Revisions Review with a standard form for the S&L QATR Revision 25 Draft SE. This process was used for the SE because the 1) TR revision is very limited scope, 2) revision to previously accepted TR, 3) original SE conclusions unaffected, and 4) very short review schedule. If you have any recommendations or comments on the Minimum Revisions Review SE process, we would be interested in receiving them.

Please respond by June 2, 2020 so that we can issue the final SE by June 5, 2020.

If you have any questions, please feel free to contact me at 301-415-2375 or by email.
