

MAR 24 1988

Docket No. 50-456
Docket No. 50-457

Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Senior Vice President
Post Office Box 767
Chicago, IL 60690

Gentlemen:

This letter is to correct our previous confirmation of plans discussed on March 23, 1988, between Mr. R. Querio of your office and Mr. J. M. Hinds, Jr. of this office to meet with representatives of Commonwealth Edison Company on April 5, 1988. The meeting time is 2:00 p.m., our letter dated March 25, 1988 was incorrect.

The purpose of this meeting is to present the report of our Systematic Assessment of Licensee Performance (SALP) for Braidwood Station. We agreed that the presentation could be made at your training facility at the Braidwood site outside the security area.

While this meeting is considered a presentation and discussion forum between the Commonwealth Edison Company and the NRC, the meeting will be opened to any other interested parties as observers.

We hope this meeting will benefit your organization and provide you with a meaningful characterization of the overall safety performance for the Braidwood Station.

Sincerely,

ORIGINAL SIGNED BY E. G. GREENMAN

Edward G. Greenman, Director
Division of Reactor Projects
