MEMORANDUM FOR: Richard Kennedy, Team Leader, NRC Transition Group
THRU: T. A. Rehm, Assistant for Operations, Office of the
Executive Director for Operations
FROM: John G. Davis, Director, Office of Nuclear Material Safety
and Safeguards
SUBJECT: INFORMATION FOR THE TRANSITION TEAM

As a result of our meeting on December 1, 1980, I am providing additional information and some clarification of matters discussed.

Enclosed with this memorandum are several memoranda concerning preliminary estimates of resource needs should a "GESMO-type" proceeding be reinstated. Please note that these resource estimates are preliminary.

Clarifying information is enclosed on the following:

1. Minimum number of sites to be characterized for a geologic high level waste repository.
2. "Pat-down" search rule.

If you desire additional information, please contact me.

(Signed)
John G. Davis, Director
Office of Nuclear Material
Safety and Safeguards
