Gentlemen:

In accordance with the October 14, 1983, Memorandum and Order in the captioned proceeding, the Washington Public Power Supply System hereby submits its eighteenth quarterly status report regarding construction activities at WNP-1.

During the first quarter of 1988, no significant safety-related construction activities were performed at WNP-1, although a limited engineering effort was continuing. We do not anticipate any change in this level of activity during the next several months.

Sincerely,
