Director, Office of Resource Management and Administration  
United States Nuclear Regulatory Commission  
Washington, D.C. 20555

To the FOI Officer:

This request is made under the federal Freedom of Information Act, 5 U.S.C 552.

Please send me copies of Donald Beckman's employment dates as a resident inspector of the NRC at the Beaver Valley site. It is my understanding that Mr. Beckman was employed there in the early 1980s. I would also like to know whether he was responsible for Beaver Valley Unit 1, Beaver Valley Unit 2, or both units.

As you know, the FOI Act provides that if portions of a document are exempt from release the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions of the FOI Act. I reserve the right to appeal your decision to withhold any materials.

I promise to pay any reasonable search and duplication fees in connection with this request.

I am a journalist employed by The Pittsburgh Press and intend to use the information I am requesting as the basis for a planned article. Therefore, I ask that you waive all search and duplication fees. If you deny this request, however, and the fees will exceed \$30, please notify me.

As I am making this request in the capacity of a journalist, and this information is of timely value, I will appreciate your communicating with me by telephone, rather than by mail, if you have any questions regarding this request. Thank you for your assistance, and I will look forward to receiving your reply within 10 business days, as required by law.

Sincerely,

*Bill Zlatos*
