Licensed Operator Requalification

Pursuant to 10CFR55.59(c), Houston Lighting & Power Company submits the attached description of the South Texas Project Electric Generating Station (STPEGS) Licensed Operator Requalification program for NRC review and approval. This revision of the Licensed Operator Requalification program reflects the recent changes made in 10CFR55, "Operators' Licenses." Timely review and approval of this revised program is necessary in order to assure continuity in the STPEGS requalification program.

If you should have any questions on this matter, please contact Mr. M.A. McBurnett at (512) 972-8530.
