Dear Mr. Oplinger:

General Electric Technical Services Co. (GETSCO) has received NRC License No. XSNM-95 with a current expiration date of 1 January 1979.

Since exports under authority of the license will be necessary beyond that expiration date, General Electric hereby requests amendment of XSNM-95 extending the expiration date to 1 January 1982.

Additionally, please add General Electric to the licensee name and change the licensee's mail code to 838.

Very truly yours,
