University of Wyoming
ATTN: Dr. Donald Veal, President
University Station
Laramie, Wyoming 82071

Gentlemen:

This refers to the investigation conducted by the NRC Office of Investigations, Region IV Field Office, of activities authorized by License No. 49-09955-10. The investigation was initiated to determine whether University employees had harassed, intimidated, or discriminated against one of your employees for reporting concerns to NRC. It was concluded that the actions taken by the University employees did not violate NRC requirements. The OI findings are documented in the enclosed synopsis.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and its enclosures will be placed in the NRC Public Document Room.

Should you have any questions on this matter, we will be pleased to discuss them with you.

Sincerely,

Original Signed By:
WILLIAM L. FISHER

William L. Fisher, Chief
Nuclear Materials and Emergency
Preparedness Branch
