Gentlemen:

This is in response to your letter, dated March 30, 1988, which submitted the scope and objectives for the LaSalle County Nuclear Generating Station exercise scheduled for June 15, 1988. Based on an April 4 discussion between Ms. T. Lehton and your staff and Mr. T. Ploski of my staff, we find the proposed exercise objectives to be acceptable.

Thank you for your cooperation.

Sincerely,
