

DOCKET NUMBER 255-25, 130
PROPOSED TIME 10:00 AM
SUBMITTED 11/10/80

255-25 West end in
Great Neck N.Y.

001975 Dec, 10,

Dear Sir

You are killing people in
this world I disagree with what
you are doing. It is
very dangerous with what
you are doing, imagining
if if you melt this scrap
and make it into cars and
silverware. You should
bury it or bury it in
the water.

Colin McDermott

Let, Pt. 30
