FOIA-88-133
Rec'd 2-26-88

Dear Mr. Cain:

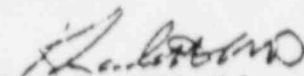

Pursuant to our phone discussion today, under the guidance of Freedom of Information Act, I would ask that you send me copies of all of the correspondence between the Nuclear Regulatory Commission and Dr. Fred Lindemann between September, 1987 and February, 1988. This would be in regard to the correspondence you had with him in regards to the amendment proposal to NRC license #49-10982-02.

Additionally, would you also provide me with any of the correspondence between Mr. John Owen Yale and the Nuclear Regulatory Commission during this same time interval.

In regard to both of the above names, I would like not only their letters to the NRC but your replies.

Thanking you in advance for your cooperation in this matter.

Sincerely,

Knute Landreth, M.D.
