MEMORANDUM AND ORDER

The Board regards the letter dated November 13, 1978 from Mr. Cherry to the Chairman to be a motion to set hearings in this proceeding in Chicago, Illinois instead of Midland, Michigan. It is not practical to await the answers from all parties to rule upon the motion nor is it convenient to change the site of the special prehearing conference. Therefore the special prehearing conference will be conducted in Midland as previously scheduled. The location of future sessions will be discussed at the prehearing conference. The Board will begin December 14 by dealing with problems that involve lawyers. Limited appearance statements, if any can be received, will be deferred until all business involving lawyers has been completed.
