Re: Texas Utilities Electric Company, et al.
Docket Nos. 50-445-OL and 50-446-OL

Dear Ms. Ellis:

This letter confirms our telephone conversation of April 11, 1988 in which you requested a 10-day extension of time to April 28, 1988 for CASE to specify the issues in which it is interested and the basis for its interest in regard to the Project Status Reports dealing with large and small bore piping and pipe supports and the related NRC Staff SSER #14. This letter is to advise you that Applicants have no objection to your request for a ten day extension. Counsel for the NRC Staff has also authorized me to state that they have no objection to such a ten day extension of time to April 28, 1988.

Sincerely,

Thomas A. Schmutz
