Submission of the Long Island Lighting Company's
Revised Prompt Notification System Design Report
Shoreham Nuclear Power Station - Unit 1
Docket No. 50-322

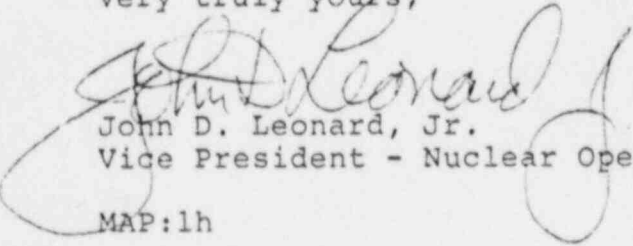

Gentlemen:

By this letter, LILCO submits the Shoreham Nuclear Power Station's Prompt Notification Design Report revised to conform to FEMA-REP-10 guidance.

LILCO asks that the NRC request FEMA to review the material in an expeditious manner pursuant to the NRC/FEMA Memorandum of Understanding, and to schedule a test of the prompt notification system as soon as possible.

Should you have any technical questions about this design report, please contact our Manager, Nuclear Emergency Preparedness, D. M. Crocker on (516) 436-4238.

Very truly yours,

John D. Leonard, Jr.
Vice President - Nuclear Operations
