OFFICE OF ENFORCEMENT
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Indianapolis Department of Capital Asset Management (EA 97-166)
Indianapolis, Indiana
Docket No. 030-19629

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$2,750

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of \$2,750 was issued on May 30, 1997, to the Indianapolis Department of Capital Asset Management. This action is based on a Severity Level III problem involving several violations that in the aggregate represent a breakdown in control over the licensed program.

Since the licensee had not been the subject of an escalated enforcement action within the last 2 years, the staff considered whether credit was warranted for corrective action. Credit was not warranted for corrective action because, as initially proposed, the licensee's corrective action did not address the need for increased management involvement to preclude repetition of the violations.

The State of Indiana will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
