

13 Grey Rock Dr.  
Ft. Mill, S.C. 29715

Mr. Aian S. Rosenthal  
CHAIRMAN  
ATOMIC SAFETY & LICENSING Bd,  
U.S. Nuclear Regulatory Commission  
WASHINGTON, D.C. 20555

DEAR MR. ROSENTHAL

IT IS MY BELIEF THAT THE A.S.L.B.  
SHOULD GRANT DUKE POWER ITS OPERATING  
LICENSE FOR THE McGUIRE NUCLEAR PLANT. I  
KNOW THAT CERTAIN "ENVIRONMENTAL" GROUPS WILL  
PROTEST THE START-UP OF McGUIRE, BUT THESE  
SAME GROUPS PROTEST AGAINST ~~ANY~~ WARS OR  
ANYTHING THEY CAN TO GET ATTENTION.

THE LICENSING OF NUCLEAR PLANTS SHOULD  
BE AN ECONOMIC DECISION DETERMINED BY  
NUCLEAR AND ENVIRONMENTAL EXPERTS AND  
NOT BY LONG HAIR PROTESTERS.

THANK YOU FOR YOUR ATTENTION.

*Doug Sinclair*
