In the Matter of
TEXAS UTILITIES ELECTRIC COMPANY, ET AL
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445, 446 OL and 445-CPA

Dear Administrative Judges:

By letter dated September 17, 1987, Staff Counsel, Geary Mizuno, responded to Judge Bloch's inquiry as to whether the Staff had seen, or intended to review, two categories of documents referred to in Brazos Electric Power Cooperative, Inc.'s (Brazos) Motion for Declaratory Order, dated August 14, 1987. See Motion at 21-23. Therein, Mr. Mizuno stated that the Staff had not reviewed the documents and did not have enough information to determine whether to review the documents at that time. This letter is to inform you that matters raised by the Brazos Motion have been referred to the Office of Investigations for their consideration.

Sincerely,

Mitzi A. Young
