Post Office Box 968  
Santa Fe, New Mexico 87504-0968

Dear Mr. Burkhardt:

As was recently discussed between Mr. Benito Garcia and Mr. Ralph S. Heyer of this office, May 14, 1987, was agreed to for a meeting in your office at 10:00 a.m.

The intent of this meeting is to hold a brief orientation and exchange of information session. In addition, we wish to discuss specific items regarding the current status of New Mexico's radiation protection regulations as a followup to the Radiation Protection Bureau program review held on September 22-25, 1986.

Mr. Heyer will be the principal representative for this meeting. Should you have any questions, please do not hesitate to contact him directly at (817) 860-8252.

Sincerely,
