Subsequent to receipt of the Amended Petition, Florida Power & Light Company (FPL) counsel received from the NRC's Service and Docketing Section a request, signed by Mr. Rich dated January 2, 1988, for an extension of time to file the Amended Petition until February 12, 1988. Since the Amended Petition was apparently mailed on January 15, 1988 (as indicated by the postmark on the envelope in which it was sent to FPL's counsel), FPL assumes that the extension request is moot and has so treated it.

Sincerely,

A handwritten signature in cursive script, appearing to read "Harold F. Reis".
