Dear Mr. Ehrensperger:

SUBJECT: REQUEST FOR ORDER TO SUSPEND CONSTRUCTION PERMITS - VOGTLE

I enclose for your information a copy of a letter from Georgians Against Nuclear Energy requesting the Commission to suspend the construction permits for the Alvin W. Vogtle Nuclear Plant, Units 1 and 2, and to hold hearings to determine whether there is a need for the Vogtle units in light of allegedly new evidence concerning growth in electrical demand in Georgia and relative costs of energy alternatives. This request is being treated under 10 CFR 2.206 of the Commission's regulations.

A copy of the notice that the Commission is filing with the Office of the Federal Register is also enclosed for your information.

Sincerely,

A handwritten signature in cursive script that reads "Harold K. Denton".
