To Whom It May Concern:

This is a request under the Freedom of Information Act.

I hereby request one copy of all files and documents contained in your agency's record systems maintained under the name of the National Lawyers Guild or returnable by a search for documents containing references to the National Lawyers Guild. This request does not include documents filed by or served upon Houston Chapter, National Lawyers Guild, Inc., in Matter of Houston Lighting & Power Company (Allens Creek Generating Station, Unit 1), Docket No. 50-466, but does include documents referring to the National Lawyers Guild in that proceeding which were not filed of record or served upon the Houston Chapter.

This request is specifically directed to any documents pertaining to "potential Threats", "adversary actions", civil disorders, protests, marches, protests, rallies, speeches, publications, meetings, leaflets, or the like which contain references to the National Lawyers Guild or its members, including references to participation of Guild members in the Georgia Power Project, Clamshell Alliance, Trident Decommissioning Alliance, Anti-Nuclear Legal Project or Anti-Nuclear Clearinghouse.

I also request an accurate accounting of each record which has been disclosed by your agency to any other agency or person, as well as an index of each record which you claim is exempt from disclosure and the specific exemption claimed. I request that all fees and costs be waived because this information primarily benefits the public, but will pay all reasonable costs and fees if notified of any fee in excess of \$10.00, in the event they are not waived.

As required by the Freedom of Information Act, I expect your reply within ten (10) working days.

Respectfully,

  
Glen Van Slyke
