Gentlemen:

This is in response to your letter dated November 3, 1978, regarding the export of National Bureau of Standards samples to Brazil.

The Purchase Request for Special Nuclear Standard Reference Materials, Form NBS-285A, must be forwarded to the U.S. Department of Commerce, National Bureau of Standards, Washington, D.C. 20234.

The Application for License to Export Nuclear Material, Form NRC-7, must be completed and returned to the U.S. Nuclear Regulatory Commission. Blank copies of NRC-7 are attached for your use. A copy of Title 10, Code of Federal Regulations, Part 110, is enclosed for your use in completing the NRC-7. Section 110.30, 110.31 and 110.33 are pertinent.

A copy of your letter is being forwarded to the National Bureau of Standards in order that they might respond to your inquiry regarding prices and delivery time after an export license has been approved.

Please let us know if we can be of further assistance.

Sincerely,

Gerald G. Oplinger, Assistant Director
Export/Import and International
Safeguards
Office of International Programs
