XSNM 02993

DATE: July 7, 1997  
FROM: Terri T. Lee, NN-42  
SUBJECT: Application for NRC export license [XSNM02993]  
TO: Ms. Betty Wright, Nuclear Regulatory Commission

In response to application XSNM02993, which involves material of Australian origin, the Office of Arms Control and Nonproliferation has received prior consent for exports of Australian origin material to Japan. The Agreement between Australia and the United States of America concerning Peaceful Uses of Nuclear Energy allows such exports for conversion, enrichment up to 20% U-235, fuel fabrication, use in a reactor, storage or final disposal other than reprocessing.
