Gentlemen:

Subject: Inquiry No. 87-02

This refers to a telephone inquiry by Mr. Steven Courtemanche of this office with yourself on November 17, 1987. This inquiry concerned activities authorized by License No. 20-20916-01, as they relate to the information documented in our letter to you dated July 6, 1987, which described the confiscation of the licensed material possessed under this license by the Commonwealth of Massachusetts and your intent to dispose of the licensed material by returning it to the manufacturer. No reply to this letter was received by this office.

From this discussion, it is our understanding that the licensed material is still in the possession of the Commonwealth of Massachusetts. It is also our understanding that you plan to terminate your license by submitting the enclosed Certificate of Disposition of Materials with a letter requesting termination to this office. In your reply to this letter, please confirm these commitments.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room. Should you have any questions concerning this inquiry, we will be pleased to discuss them with you.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:
