Revision No. 2 to License Amendment Request Dated August 14, 1987
Plant Organization Changes and Requirements for
SRO License Requirements for Management and Support Staff

The purpose of this letter is to revise our License Amendment Request dated August 14, 1987 based on comments received from the NRC Staff. Revision No. 2 consists of an alteration to changes proposed for Figure TS.6.1-2 and an additional change for page TS.6.1-2. The attached Exhibits A, B, and C are intended as a complete replacement for our original submittal.

An amendment application fee is not required by 10 CFR Part 170 since a fee was included with the original submittal.

Please contact us if you have any questions related to this revision or if additional information is required to supplement it.
