LETTER OF AGREEMENT

OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

The Ryder Student Transportation Company of Nashua recognizes the critical role of major transportation vehicles in the event of either natural or technological emergencies such as flooding, fires, accidents at industrial facilities, including the Vermont Yankee and Seabrook Nuclear Power Plants, and other emergencies. For this reason, Ryder Student Transportation Company agrees to assist the State Emergency response effort, in particular the New Hampshire Civil Defense Agency, by providing transportation as detailed under the terms of this agreement or as requested by the New Hampshire Civil Defense Agency, and for such compensation as is deemed fair and equitable by proper authority.

The number of buses available for transportation purposes during an emergency is approximately 100.

The passenger capacity of each bus is 65. The total passenger capacity of all buses is 12,805.

The location(s) of buses is 75 in Nashua, and 25 in Hudson.

The number of drivers available for buses and vans during an emergency response is 100.

In the event of an emergency and in coordination with the State, Ryder Student Transportation Company will make all efforts to deploy its vehicles as specified below:

Portsmouth and/or Brentwood Staging Area.

Two-way communications capability is available on all buses on 151.655.
