LETTER OF AGREEMENT

National School Bus Service, Inc. (formerly Berry Transportation, Company) of North Hampton, New Hampshire recognizes the critical role of major transportation vehicles in the event of either natural or technological emergencies such as flooding, fires, accidents at industrial facilities, including the Vermont Yankee and Seabrook Nuclear Power Plants, and other emergencies. For this reason, National School Bus Service, Inc. agrees to assist the State emergency response effort, in particular the New Hampshire Civil Defense Agency, by providing transportation as detailed under the terms of this agreement or as requested by the New Hampshire Civil Defense Agency, and for such compensation as is deemed fair and equitable by proper authority.

The number of buses available for transportation purposes during an emergency is approximately 62 garaged at 24 Walnut Street, North Hampton, NH

The passenger capacity of each bus is 65 students and/or 44 adults.

The number of drivers available for buses and vans during an emergency response is ____.

In the event of an emergency and in coordination with the State, National School Bus Service, Inc. will make all efforts to deploy its vehicles as requested by The New Hampshire Civil Defense Agency.
