Dear Dr. Cashwell:

In accordance with Nuclear Regulatory Commission Rule, 10 CFR Part 50, "Limiting The Use of Highly Enriched Uranium in Domestically Licensed Research and Test Reactors," you are hereby notified that Federal funding for conversion of your reactor will not be available during Fiscal Year 1988.

You will be notified in the event these circumstances change.

Sincerely,

A handwritten signature in cursive script that reads "Richard E. Stephens".
