2) NRC to Detroit Edison Letter,
dated December 30, 1987

Subject: Report on Allegation Investigation - Security Patrols
in the Radiological Control Area

In the Reference 2 letter, Mr. Jack Hind of your staff requested Detroit Edison to investigate an allegation NRC Region III had received pertaining to security patrols in the Radiological Control Area. It further requested that the results of our review and disposition of the matter be submitted to NRC Region III. Enclosed is the report of Detroit Edison's investigation.

As was requested in the NRC letter, documentation supporting the results of our review is available on-site for NRC audit. Because the enclosure contains safeguards information, a copy of this letter, excluding the enclosure, will be mailed to the NRC Public Document Room.

If you have any questions regarding this matter, please contact Mr. Robert Kelm, Director - Nuclear Security at (313) 586-4949.

Sincerely,

B. Ralph Sylvia
