Gentlemen:

The NRC commends the dedication and commitment of individuals who have gone through the rigorous study and training programs culminating in a NRC license. To appropriately recognize the accomplishment of these individuals the NRC is willing to formally present license certificates to the newly licensed individuals.

It is Region III's intent in this regard to work with you, if requested, to arrange a time and place for a member of Region III senior management to formally present the license certificates to newly licensed individuals.

If you would like to have such a presentation, please contact me at 312/790-5695 or write to the Region III Office.

Sincerely,
