Technical Specifications  
Change Request

Gentlemen:

South Carolina Electric & Gas Company (SCE&G) hereby requests a revision to the Technical Specifications. The proposed revision to Section 6.0 (Attachment I) reflects an administrative change in the oversight of the Nuclear Safety Review Committee. This proposed revision is to establish a clear and independent access to senior management regarding matters of Nuclear Safety.

Attachment II provides the Significant Hazards Consideration pursuant to 10CFR50.91(a)(1). This request has been reviewed and approved by the Plant Safety Review Committee and the Nuclear Safety Review Committee. A check in the amount of one hundred fifty dollars (\$150.00) for processing this change is enclosed.

I declare the statements and matters set forth herein are true and correct to the best of my knowledge, information and belief.

Should you have any questions, please contact us at your convenience.

Very truly yours,

  
D. A. Nauman
