UNITED STATES NUCLEAR REGULATORY COMMISSION

January 26, 1984

Docket No. 1-144

MEMORANDUM FOR: Region III Files

THRU: J. E. Konklir, Chief, Projects Section 12

FROM: F. M. Byron, SRI, Enrico Fermi

SUBJECT: SAFETEAM INTERVIEW 1368 - APPARENT WRONGDOING IN ELECTRICAL AREA

Enclosed is a memo from R. G. Kunkle, Director, SAFETEAM Response Investigations, which transmits interview Number 1368. The interviewee alleges apparent wrongdoing in the area of electrical work.

It should be noted that the concern Number 8 is similar in nature to interview 397 as discussed in memos to Region III dated January 10 and 19, 1984.

The inspectors will monitor the licensee's investigation and address the results in a subsequent memo and inspection report.
