Mr. Eugene T. Pawlik
Office of Investigations
U. S. Nuclear Regulatory Commission
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Mr. Pawlik:

Enclosed for your use is a proprietary report summarizing the investigation of an alleged forgery by an employe of Nuclear Energy Services, Inc. at the Enrico Fermi Atomic Power Plant, Unit 2. The allegation was made during an interview with an exiting Nuclear Energy Services employe by a Safeteam Program interviewer. This information is being sent to you at the request of Mr. James Konklin.

If you have any questions after reviewing the report, or if you require more details, please contact me at the above phone number or call Mr. Stuart H. Leach, Director-Nuclear Security, at (313) 586-1111.

Sincerely,
