

Detroit

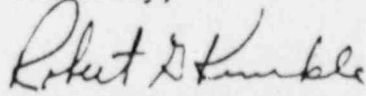

January 31, 1984

Mr. Paul Byron
Resident Inspector
Nuclear Regulatory Commission
Enrico Fermi II
6400 N. Dixie Highway
Newport, MI 48166

Dear Mr. Byron:

Attached is a copy of interview 470. Although not shown on the interview sheet the subsequent investigation suggested wrongdoing. Although we believe the investigation showed no wrongdoing the attached is for your information.

Sincerely,

Robert G. Kunkle
Director, SAFETEAM
