Jim: Ok by me. A few typos need to be corrected. Change refer to reference in the sentence starting with the word "Although". Also in the same sentence, the word determine is misspelled. Please let me have your markups in the minutes I sent you last night, whenever you are ready. Thanks.

George

Attached is a letter to S. Bauman that tells him that none of his EIS comments will be considered as NRC petitions, consistent with our PRB meeting yesterday. Please review, and if OK, concur.

thank you
