Dear Mr. Merschoff:

**Subject: Termination of Senior Reactor Operator License**

Pursuant to 10 CFR 50.74(a), the Omaha Public Power District (OPPD) requests termination of the Senior Reactor Operator (SRO) license held by Mr. Kevin L. Grant-Leanna (Docket No. 55-40185, License No. SOP-43569) for the Fort Calhoun Station. OPPD has determined that there is no further need for Mr. Grant-Leanna to maintain this license; OPPD therefore requests that the license be terminated effective August 1, 1997.

Please contact me if you have any questions.

Sincerely,

S. K. Gambhir
