

# EMBARK

VENTURE STUDIO

The logo features a central graphic element consisting of two overlapping triangles. The top triangle is blue and the bottom triangle is red. The overlapping area is filled with a gradient from blue to red. Below the triangles are three curved lines in blue, red, and orange.

# **Embark Venture Studio – Risk Informing Subsequent License Renewal (RISLR) Project**

## **The Use of Formal Risk Insights in License Renewal**

# Agenda

- Introduction
- Industry Presentation on Current Efforts
- Opportunity for Public Comment
- Discussion of Longer-term Ideas
- Opportunity for Public Comment

*Can we use formal risk insights, such as PRA or 50.69, as part of license renewal?*

As part of the implementation of Aging Management Programs?

What about applying risk information gleaned from 50.69 categorizations to Aging Management Review Line Items?

Is there an opportunity to use risk information for scoping and screening, if the licensee gets an exemption?

**NRC RISLR Working Group**
