Mr. T. Michaels  
U.S. Nuclear Regulatory Commission  
Attn: Document Control Desk  
Washington, DC 20555

Re: Docket 50-112  
License R-53

Dear Mr. Michaels:

This letter is to confirm our telephone conversation. The University of Oklahoma is in the process of transferring the fuel back to DOE possession. Depending upon the speed of the paper work, this should be completed by the end of May.

Sincerely yours,

  
Craig Jensen  
Reactor Director
