 REGION I
 631 PARK AVENUE
 KING OF PRUSSIA, PENNSYLVANIA 19406

DEC 22 1987

Employee's Legal Project
 ATTN: Ms. Sharon Tracy
 Director
 Post Office Box 633
 Amesbury, Massachusetts 01913

Dear Ms. Tracy:

This refers to your letters dated November 3 and 12, 1987, in response to my letter dated October 9, 1987. We have noted your continuing concerns about the NRC staff's followup review of alleged construction deficiencies at the Seabrook Station Unit No. 1 that you brought to our attention in previous correspondence and discussions. We believe that it is appropriate for Regional management to discuss with you the bases for disposition or additional review of your specific concerns as they relate to the issues addressed in Inspection Reports 50-443/86-52 and 50-443/87-07. Based on recent telephone conversations you have had with Mr. Thomas Elsasser, formerly of my staff, and with Mr. Donald Haverkamp, currently the Projects Section Chief for Seabrook, we understand that you have agreed to meet with Mr. Jacques Durr and certain Region I inspectors and staff members at our King of Prussia, Pennsylvania office on December 29, 1987. We have scheduled the meeting to occur between 9:00 a.m. and 12:00 Noon that day. We understand that you will be accompanied by Mr. Doug Richardson, of your staff, and your attorney, Mr. Michael Greenstein.

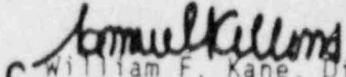

As Mr. Haverkamp discussed with you on December 16, 1987, the meeting discussions will be transcribed by a court reporter and you will be provided a copy of the meeting transcription. After our meeting, we plan to summarize the discussions in a followup letter to you. We will enclose your letters identified above and the meeting transcription with that letter and provide the entire documentation to those on the Service List distribution for the Seabrook Station. Per our agreement, we have informed interested officials of the States of New Hampshire and Massachusetts about this meeting, and we are sending those persons a copy of this letter. Also, at your request, we have not invited New Hampshire Yankee representatives to this meeting nor have they been informed. We have enclosed a map of the King of Prussia area showing the location of the Region I office and copies of the invitational travel orders for the meeting for both yourself and Mr. Richardson so that you may use them as appropriate for your transportation and lodging needs. If you require further travel assistance, or if you need to change arrangements already made through Cherry Hill Travel, please contact that agency or Ms. Virginia Tolson, the Region I Travel Section Chief, at (215) 337-5217.

I hope that our meeting provides the proper forum for open and candid discussions of your concerns.

Sincerely,

William F. Kane, Director
Division of Reactor Projects
