Docket No. 50-341

FEB 22 1988

The Detroit Edison Company
ATTN: B. Ralph Sylvia
Group Vice President
Nuclear Operations
6400 North Dixie Highway
Newport, MI 48166

Gentlemen:

On January 21, 1988, we received anonymous allegations regarding certain practices at Fermi 2. The details of these allegations are enclosed. Please initiate an investigation into these matters and advise us immediately if the investigation identifies any impact on nuclear safety and to inform us of all actions you will take. We also request that a written report of the results of your investigation and disposition of these matters be provided to us within 60 days of receipt of this letter.

The response to this letter is not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL-96-511.

Your cooperation with us is appreciated. Should you have any questions regarding this matter, please contact R. Knop of my staff.

Sincerely,

Edward G. Greenman, Director
Division of Reactor Projects
