SUBJECT: MEETING SUMMARY FOR THE CLOSED MEETING BETWEEN
THE U.S. NUCLEAR REGULATORY COMMISSION STAFF,
NUCLEAR ENERGY INSTITUTE, ENERGY, NEXTERA, AND
INDUSTRY STAKEHOLDERS CONCERNING THE
FORCE-ON-FORCE EXERCISE SCENARIO SCORING SYSTEM

On May 27, 2020, the U.S. Nuclear Regulatory Commission (NRC) held a closed meeting. The purpose of this meeting was to discuss a proposal for an internal scoring system for force-on-force (FOF) inspection teams to use while developing exercise scenarios during NRC-conducted FOF inspections. The meeting included representatives from the Nuclear Energy Institute (NEI), Entergy, and other relevant stakeholders. Enclosed is a summary of the meeting and link to the presentation.
