Mr. Harold R. Denton, Director
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Denton:

I am writing to confirm a telephone conversation I had with your secretary scheduling a meeting with the AIF Ad Hoc Committee on NUREG-0292. The meeting will be held on October 24, 1978 at the AIF's Bethesda offices at 7101 Wisconsin Avenue. I would appreciate you joining us at 10:30 a.m., and we should be completed by noon.

As we discussed, our Committee has completed an extensive review of NUREG-0292 and has several concerns and comments on how to improve this licensing approach. I feel that it would be very beneficial if we can exchange our thoughts on this subject.

Thank you for taking the time out of your busy schedule to meet with us.

Yours truly,

Cordell Reed
Assistant Vice President
