RE: Freedom of Information Act  
Request

To Whom It May Concern:

This letter will serve as a Freedom of Information Request for the report prepared by your Office of Investigations concerning the Wolf Creek Nuclear Power Plant in Burlington, Kansas, which focused on the construction phase and the Quality First program.

On Tuesday, November 24th the NRC released a two-page summary of findings according to the Kansas City Star/Times. We are also requesting a copy of the two-page summary.

Sincerely,

Diane Arnst  
Conservation Chair
